These drawings are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the residence. Floor plans are examples of unit types and are intended to depict actual units. Stated square footages are ranges for a particular unit type and are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the area that would be determined by using the description and definition of the “Lot” set forth in the Declaration of Condominium which generally only includes interior airspace between the perimeter walls and excludes interior structural components. All appliances, plumbing fixtures, equipment, materials, coverings and other matters of detail are conceptual only and are not necessarily included in each unit. Contact your attorney and the Prospectus for the items included with the Unit. Dimensions and square footage are approximate, will vary with specific unit type, and may vary with actual construction. Additionally, measurements of rooms or features from any floor plan are not intended or generally representable at each floor. Consult your Agreement and the Prospectus for the items included with the Unit. Dimensions and square footage are approximate, will vary with specific unit type, and may vary with actual construction. Additionally, measurements of rooms or features from any floor plan are not intended or generally representable at each floor. The developer expressly reserves the right to make modifications, revisions, and changes in plans at its sole and absolute discretion and without notice.

AC AREA: 2,365 SQ. FT.
BALCONY 1: 365 SQ. FT.
BALCONY 2: 188 SQ. FT.
TOTAL: 2,918 SQ. FT.
These drawings are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the residence. Units shown are examples of unit types and may not depict actual units. Stated square footages are ranges for a particular unit type and are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the area that would be determined by using the description and definition of the "Gar" as Earth in the Declaration of Condominium (which generally only includes the interior airspace between the perimeter walls and excludes interior structural components). All depictions of appliances, plumbing fixtures, assignees, fixtures, furnishings, or other elements of detail are conceptual only and are not necessarily included in each Unit. Consult your Agreement and the Prospectus for the items included with the Unit. Dimensions and square footage are approximate, will vary with specific unit type, and may vary with actual construction. Additionally, measurements of some or all of any of the areas or rooms generally taken at the greatest points of each given area (as is the case with a perfect triangle), without regard for any cutouts. Unit orientation and windows (including number, size, orientation and awnings), balcony/lanais (including configuration, size and railing/balustrade), structure and mechanical elements may vary. The developer expressly reserves the right to make modifications, revisions, and changes to units as is feasible and in its sole and absolute discretion and without notice.
These drawings are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the residence. Plans shown are examples of unit types and may not depict actual units. Stated square footages are ranges for a particular unit type and are measured to the exterior boundaries of the exterior walls and the centerlines of interior demising walls and are in fact vary from the area that would be determined by using the definitions and dimensions of the "Best Efforts" in the Declaration of Condominium (which generally only includes the interior airspace between the perimeter walls and excludes interior structural components). All depictions of appliances, plumbing fixtures, equipment, carpets, soffits, floor coverings and other materials of detail are conceptual only and are not necessarily included in each floor. Final unit Agreement and the Prospective for the items included with the Unit. Dimensions and square footage are approximate, will vary with specific unit type, and may vary with actual construction. Additionally, measurements of interior or floor to floor may be a nominal and generally taken at the greater points of each floor. The developer expressly reserves the right to make modifications, revisions, and changes in plans shown in this sale without notice.

AC AREA: 3,080 SQ. FT.
BALCONY 1: 460 SQ. FT.
BALCONY 2: 138 SQ. FT.
TOTAL: 3,678 SQ. FT.
These drawings are conceptual only and are for the convenience of reference. They should not be relied upon as representations, blueprints, or scaled depictions of actual units. Stated square footages are ranges for a particular unit type and are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the area that would be determined by using the “out to out” in the Declaration of Condominiums (which generally only includes the internal airspace between the perimeter walls and excludes all structural components). All depictions of appliances, plumbing fixtures, equipment, and furnishings are conceptual only and are not necessarily included in each Unit. Consult your Agreement and the Prospectus for the items included with the Unit. Dimensions and square footage are approximate, will vary with specific unit type, and may vary with actual construction. Additionally, measurements of rooms or areas from floor plan are nominal and generally taken at the greatest points of each given area (as the room were a perfect rectangle), without regard for any cutouts. Unit orientation and windows (including number, size, orientation and awnings), balcony/lanais (including configuration, size and railing/balustrade), structure and mechanical chases may vary. The developer expressly reserves the right to make modifications, revisions, and changes to its terms and conditions in its sole and absolute discretion.
DEVELOPER | PROPERTY MARKETS GROUP

Founded in 1991 by Kevin Maloney, Property Markets Group ("PMG") has direct hands-on experience in the acquisition, renovation, financing, operation, and marketing of commercial and residential real estate. A development firm of national scope, PMG has over 150 real estate transactions including over 80 residential buildings in Manhattan during its 20-year history. PMG has distinguished itself over the last decade for its development of new construction condominium developments in Florida, New York City, South Carolina and Chicago. In 2012, PMG commenced construction on 95th On The Ocean, 7 luxury oceanfront town homes located in Surfside, Florida.
Carlos Ott has forty years of outstanding experience in the design of construction projects. Recognized internationally as one of the leading design architects, Carlos Ott has been awarded numerous International prizes and awards of merit over his illustrious career.

In 2008, Carlos received the highest 5-star Award for High-Rise Development, from CNBC Asia Pacific Awards, for his residential “One Shenton” in Singapore. In 2009, The Miami Chapter of the American Institute of Architects celebrated him with the Award of Merit for Calgary Courts Centre, Green Building.

Projects with Carlos Ott’s architectural signature have recently been completed or are under construction in France, Germany, Canada, the United Arab Emirates, Saudi Arabia, China, Singapore, Malaysia, India, Sri Lanka, Mexico, Panama, Puerto Rico, Dominican Republic, Argentina, USA, Philippines and Uruguay.
Canadian interior design duo George Yabu and Glenn Pushelberg were named two of the “101 People You Must Meet in 2011” by Town & Country magazine; have been awarded “Hot Interior Design Firm” by Conde Nast Traveler magazine and re on Elle Décor’s “A-List.” Their client roster is filled with leading visionaries and innovators of hotel groups, luxury retail brands and celebrity chefs – including Ian Schrager, Four Seasons, St. Regis, Barney’s, Tiffany’s, Jean-Georges Vongrichten to Daniel Boulud, to name a few.

Yabu Pushelberg, with over 125 designers, project managers and support staff in studios in New York, Toronto and China, is currently working in over 15 countries worldwide. Alas there is no typical day for the design duo that oftentimes finds themselves in no less than four different cities in one week alone. George and Glenn have truly traveled around the world and back but still feel that, “there is always more to explore and learn, especially when designing and applying techniques to how we approach our work,” and that “travel truly inspires and fuels creativity”.
